We now have internet access at the St Paul studio. Please check the bulletin board for the code to connect to the internet while at the CBA St Paul studio.

Any student performing in Ballet Minnesota's Nutcracker must be a registered student with CBA for the winter session.

New Student 25% off Discount

Encourage a new student (pre-ballet thru level 2) to attend CBA and they will receive 25% off their tuition. The same dollar amount will be taken off the CBA student's tuition that brought the new student in. This applies to the first session the new student attends only (summer, fall, winter or spring). This does not include fees.

Thank You

To all the volunteers that helped make the move to the new studio possible. Also thank you to the volunteers who helped with parades this summer.

Volunteers

Ballet Minnesota and CBA are always in need of volunteers especially during performance and pre-performance preparation. If a parent volunteers 4+ hours, \$25.00 will be credited back to their child's tuition. There will be a list of volunteer opportunities at the reception desk.
